

FREE PROFESSIONAL DEVELOPMENT OPPORTUNITY

Rocky Intertidal Monitoring Project

Teacher Workshop

The Farallones Marine Sanctuary Association and Gulf of the Farallones National Marine Sanctuary are offering a FREE professional development workshop for high

school teachers and educators on our Rocky Intertidal Monitoring Project. The workshop will take place on **Wednesday, June 8 from 4:30 - 6:30 p.m. and Saturday, June 11 from 8:00 - 11:30 a.m. at the Pigeon Point Light Station State Historic Park in Pescadero.**

On Wednesday evening, learn about the Gulf of the Farallones National Marine Sanctuary, the ecology of the rocky intertidal habitat, and rocky intertidal monitoring protocols. Then Saturday morning put your knowledge to work as we head out to Pigeon Point and practice rocky intertidal monitoring. From the workshop you will learn how to get your students involved in the Rocky Intertidal Monitoring Project.

For more information, please contact April Devitt at (415) 561-6625 x304 or adevitt@farallones.org at the Farallones Marine Sanctuary Association.
